

# 2013 Iowa Hunger Summit

**Dr. James Blessman, M.D.**

**Mission Statement:** We work to meet the physical needs of the children of South Africa by providing nutritional support, housing, and medical care; and to meet their spiritual needs through training and support for leaders of the African church.

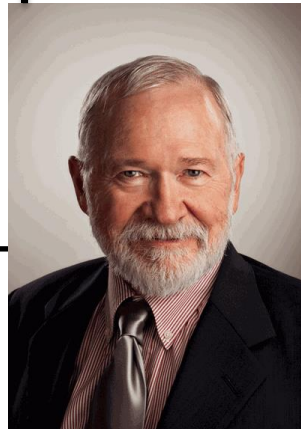

**Dr. Max Rothschild**, Distinguished Professor, ISU is internationally recognized for his expertise in swine genetics and adapting food-animal production to feed a growing population and to enhance economic development on both local and global scales

## Blessman Ministries
